## Our Response to the Coronavirus

To our Volunteers, Supporters, and Clients of the Sedona Community Food Bank,

Our mission statement has and will always be “a community supported, volunteer-based organization that provides food to the people in need in Sedona, Village of Oak Creek, Page Springs, and Cornville.” We will continue to assist and serve those in need during the Coronavirus pandemic. Although, we might need to temporarily alter the method or hours of our distribution.

Presently, we have not changed our hours and method in which we distribute. We continue to distribute on Wednesdays from 8:30 -12:00 and 3:30 – 5:30. The food bank has increased our area of service to include Rimrock and Camp Verde along with Sedona, Village of Oak Creek, Page Springs, and Cornville. The food bank does offer a drive up or curbside service for those clients who are unable to shop on their own upon request. If the situation should change we will inform our community on the most effective and safe manner in which to assist our clients, while keeping our volunteers and staff safe as well.

If you are sick or taking care of someone who is sick, please stay at home. The food bank will follow guidance from our state and local officials.

The Sedona Community Food Bank is grateful for all your support and understanding during these difficult times.

Take care,
